Hi Bridget,

The EPA's NEPA comments are always publicly posted. 404 comments are not publicly posted and it is my understanding that a FOIA request would be needed to share those.

Thanks very much, Erik. Could you also provide the comments which were sent to the Corps for the 404 permit associated with this project?

Subject: EPA comments on Ambler draft EIS

Hello Mr. LaCroix,

Would you be able to share any public comments that the EPA submitted to the Bureau of Land Management during the public comment period for the Ambler Road draft EIS? My apologies if you're not the correct person to reach out to; if this email reached you in error, please tell me who I should contact with my request.

Thanks in advance for your time,
Bridget
